

Carver 530 Voyager

Price reduction - \$100,000 The popular 530 Voyager was the flagship of the Carver fleet when introduced in 1998. Her classic pilothouse lines will always be in style with her spacious cherry wood interior.

The layout has the galley forward in the saloon rather than on the pilothouse level as it is in many similar yachts. A curved settee is next to the centerline lower helm, and steps behind the helm lead up to the bridge. There are three staterooms and two heads below, including a full-beam master with washer/dryer cabinet and tub/shower in the private head. A walkaround queen berth is in the forward VIP stateroom, and the third guest stateroom's berths can convert to a sofa. On the upper deck, aft of the helm is a circular lounge area with a moulded table that accommodates eight or nine adults. Additional features include cockpit engine room access, joystick steering, and

bow/stern thrusters. Volvo 480hp diesel cruise the Voyager 530 at 18–20 knots. Keen vendor!

General

Year:	2001
Price:	\$499,000
Additional Charges:	None
Boat Type:	Power
Hull Type:	Semi Displacement
Location:	Auckland
Engine/Fuel:	Diesel
Hull Material:	GRP

Dimensions

Length:	53 ft
LOA:	53'9"
Beam:	15 ft 4
