

Selene Artemis 50 Power Catamaran

Selene Artemis 50 Catamaran

The Selene Artemis 50 Catamaran, is the ultimate expression of sophistication, comfort and relaxation at sea. With a massive 23-foot beam, and an open salon & galley layout, the Selene Artemis 50 exterior and interior spaciousness makes her the perfect platform for entertaining friends & family, either at the dock or underway. Powered by twin Cummins QSB 6.7L's with Zeus pods, Selene Artemis 50 also happens to be one of the fastest, largest power catamarans on the water.
